NOTES/COMMENTS:

Dear Sirs:

This is in reference to two (2) previous facsimile transmissions to the USPTO on December 19 and 22, 2003, related to Serial No. 10/066,124. The first transmission was a Response to Office Action mailed August 29, 2003, for consisting of thirteen (13) pages. The second transmission was a submission of the required Fee Transmittal and Credit Card Payment Forms that were omitted from the first transmission (a copy of the Auto-Reply Facsimile Transmission from the USPTO for the second transmission is attached hereto).

The first pages of the Amendment and Petition in the first transmission, as well as the Fee Transmittal and Credit Card Payment Forms, referred to an incorrect Serial Number, 10/431,679. This transmission contains a communication that corrects these errors and confirms that the previously-faxed Fee Transmittal and Credit Card Payment Forms authorize payment of the extension fee required for Serial Number 10/066,124.

Certificate of Transmission

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being facsimile transmitted to the United States Patent and Trademark Office, Fax No. (703) 872-9306 on December 29, 2003.
